Vitasoy Spreads Cheer to Underprivileged and Frontline Workers During Pandemic

(Hong Kong, 8 March 2022) Vitasoy has been committed to offering nutritious and tasty plant-based products to the public. At this critical moment of the new wave of pandemic, we hope to support people in Hong Kong to stay strong and healthy.

We have recently donated VITASOY products to underprivileged families, frontline workers, cleaning workers, and families undergoing home quarantine under the “StayHomeSafe” Scheme through local non-profit making organizations and our corporate partners. We wish Hong Kong people stay safe and healthy!

The non-profit making organizations and corporate partners involved include St James’ Settlement, Principal Chan Free Tutorial World, Caring For Children Foundation, Caritas Jockey Club Integrated Service for Young People - Pak Tin and Nan Fung Property Management.
